SUMMARY REPORT OF U.S. MAGISTRATE JUDGE AS
TO ALLEGED VIOLATIONS OF SUPERVISED RELEASE
PAGE -1-

DEFENDANT'S ADMISSION

USPO Jeff Robson alleged that the defendant violated the conditions of supervised release in six respects:

- (1) Using alcohol and marijuana on or about June 7, 2007 in violation of standard condition number 3.
- (2) Failing to actively pursue a High School Equivalency Diploma or G.E.D. in violation of special condition number 6.
- (3) Failing to work regularly at a lawful occupation since May, 2005, in violation of special condition number 5.
- (4) Failing to report for random drug testing on July 5, 2007 and July 9, 2007, in violation of special condition number 3.
- (5) Failing to participate as directed in a mental health program in violation of special condition number 2.
- (6) Failing to submit monthly reports in the first five days of each month, from January to July, 2007, in violation of standard condition number 2.

I advised the defendant of these charges and of his constitutional rights. At today's hearing the defendant admitted the violations one through six and waived any hearing as to whether it occurred. The matter is set for a disposition hearing before the Honorable Ricardo. S. Martinez.

RECOMMENDED FINDINGS AND CONCLUSIONS

Based upon the foregoing, I recommend the court find that the defendant has violated the conditions of his supervised release as alleged in the petition and set the matter for a disposition hearing.

1 The defendant has been detained pending a final determination by the court.

2 DATED this 16th day of October, 2007.
